2 The Complaint and Investigation

2.1 On 16 March 2010, the Commissioner, acting in terms of section 49B(1) of the Act, initiated a complaint under case number 2010MAR4981 against Aberdare, Tulisa, Alvern and SOEW for possible contravention of section 4(1)(b) of the Act in the market for the supply of power cables.

2.2 The evidence obtained by the Commission through its investigation indicated that other companies, which were not part of the initial investigation, may also have been involved in the alleged conduct in contravention of the Act.

2.3 On 28 May 2010, the Commission expanded its investigations to include these firms: Alcon Marepha (Pty) Ltd, CBI-Electric: African Cables (Pty) Ltd, Kewberg Cables and Braids (Pty) Ltd, Malesela Taihan Electric Cable (Pty) Ltd, Norco Cables (Pty) Ltd, Cabcon Technologies (Pty) Ltd Phoenix Power Cables {Pty) Ltd, Silcom (Pty) Ltd and the

Association of Electric Cable Manufacturers of South Africa ("AECMSA") as being party to price fixing, market division and collusive tendering in the power cable market.

2.4 In the course of its investigation the Commission further amended its complaint initiation on 14 May 2012 to include further information and particulars in respect of the alleged conduct in contravention of the Act.

2.5 The Commission's investigation revealed that:

M-Tec, African Cables, Aberdare and Alcon Marepha implemented and sustained their agreement by providing each other with cover prices. The aforementioned conduct is in contravention of section 4(1)(b)(ii) and (iii).
