CHAPTER 2 SUSTAINABLE FOREST MANAGEMENT

- * *set criteria, indicators and standards for assessing and enforcing sustainable forest management; and*
- * *create incentives to manage forests sustainably,*
on the advice of the Committee for Sustainable Forest Management.

3. Principles to guide decisions affecting forests

- (1) The principles set out in subsection (3) must be considered and applied in a balanced way—
 - (a) in the exercise of any power or the performance of any duty in terms of this Act;

- (2) An organ of State applying these principles must—

 - (d) give such weight to each principle as it considers appropriate.
